Why join the American Club of the Costa del Sol?
Several hundred members support the American Club of the Costa del Sol with five Chapters and over thirty four years of service on the coast. The Chapters cover the Costas from Almunecar to Sotogrande. Our Vision Statement is to maintain a high quality American Club that supports the local American community, organizes social activities, donates significant contributions to civic charities and supports non-member Americans visiting the Costa del Sol.

Our Mission Statement is to organize a well-structured goal-orientated American Club with American and International membership in accordance the Club Charter, setup for longevity to optimize member benefits, ensure the activities arranged by the Chapters satisfy the members expectations, support local charity organizations and offer emergency assistance to Americans travelling on the Costa del Sol.

Our Club Goal is to have a membership of over five hundred by the year 2010. Our Chapters meet monthly for luncheons and/or dinners usually with a guest speaker. We organize special events for all Chapters at Thanksgiving, Christmas and the 4th of July. We organize several trips a year for our members. We work to foster fellowship with our Costa del Sol neighbors. Yes, we are a support group for Americans and our

International members visiting and living abroad. We invite you to join and you will be welcomed by our various Chapters on the Costa del Sol.
